Dear Dann,

On behalf of the Hmong American Association Board of Directors, I would thank you for attending our 17th annual Hmong New Year Festival at the Yuba-Sutter Fairgrounds on November 2 & 3, 2013. Your presence along with your volunteer staff means a lot to the Hmong community in Yuba and Sutter County because you are a true advocate for the forgotten warriors.

The Hmong war veterans were forgotten in America's war history for a very long time. Because of you and your museum, the forgotten Hmong warriors can now be a part of Yuba County history for many generations to see.

As we look forward to the future, I hope we can continue to work with your museum to make this community remember and recognize all the sacrifice our war veterans have done for this great country. We will continue to collect photos and artifacts so we may continue to contribute to the museum.

If you should need anything from me or my organization, please don't hesitate to ask. I can be reach via email at xcvang@yahoo.com or by phone at 916-397-3913.

Thank you again and have a wonderful Thanksgiving holiday.

Sincerely,

Chia Xay Vang
Yuba-Sutter Hmong New Year Chairman
