

Dog Tag and Hallowed Ground Ceremony

by Elden Fowler

The Museum of the Forgotten Warriors Board of Directors has announced a ceremony for the dedication of the museum's Iraq / Afghanistan Memorial Dog Tag Display and Hallowed Ground exhibit will occur at the museum on November 10th at 10:30 am.

As of October 31st, the display features over 6000 dog tags which represent American military casualties and also holds a Soldiers Memorial consisting of a helmet, rifle, boots, and dog tags. Desert sand from Iraq and Afghanistan is incorporated into the display.

As the wind blows, the tags act as wind chimes and the sunlight reflections create a surreal display. This exhibit provides an environment for somber and thoughtful remembrances of those who have given all for their country.

The museum is located at 5865 A Road, Marysville, CA 95901. Call 530-742-3090 for further details.
